- 17. Information required under Regulation 36 of SEBI Listing Regulations in respect of Directors seeking Appointment/Reappointment at the AGM is furnished as annexure to this Notice. The Directors have furnished consent/declarations for their appointment/re-appointment as required under Act and rules made thereunder.

- 18. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form can submit their PAN to the Company/RTA i.e. Skyline Financial Services Private Limited.
- 19. The Board of Directors of the Company has appointed **Mrs. Sarita Singh, Practicing Company Secretary (CP No. 24682, Membership No. A55937)** as the Scrutinizer to scrutinize the remote E-Voting process and poll at the Annual General Meeting in a fair and transparent manner and he has communicated his willingness to be appointed and will be available for the same purpose.
- 20. Voting rights shall be reckoned on the paid-up value of shares registered in the name of the member/beneficial owner (in case of electronic shareholding) as on the cut-off date i.e.  $22^{nd}$  September, 2022.
- 21. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, i.e.  $22^{nd}$  September, 2022 only shall be entitled to avail the facility of remote e-voting or poll at the Annual General Meeting.
- 22. The remote e-voting facility will be available during the following period:

Commencement of remote e-voting: From 10:00 A.M. (IST) on 26<sup>th</sup> September, 2022 End of remote e-voting: At 5.00 P.M. (IST) on 28<sup>th</sup> September, 2022

The remote e-voting will not be allowed beyond the aforesaid date and time and the e-voting module shall be disabled by Skyline Financial Services Private Limited upon expiry of the aforesaid period.

23. The Scrutinizer, after scrutinizing the votes cast at the meeting (Insta-Poll) and through remote e-voting, will not later than 48 hours of conclusion of the Meeting, make a consolidated scrutinizer's report and submit the same to the Chairman. The results declared along with the consolidated scrutinizer's report shall be placed on the website of the Company i.e. <a href="https://evotingindia.com"><u>www.pptinvestment.in</u></a> and on the website of CDSL <a href="https://evotingindia.com"><u>https://evotingindia.com</u></a>. The results shall simultaneously be communicated to the Stock Exchanges.

#### THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on 26<sup>th</sup> September, 2022 at 10:00 A.M. (IST) and ends on 28<sup>th</sup> September, 2022 at 5.00 P.M. (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 22, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020,** under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) <u>In terms of SEBI circular</u> **no. SEBI/HO/CFD/CMD/CIR/P/2020/242** <u>dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.</u>

# CORPORATE GOVERNANCE REPORT

Your Directors present the Company's Report on Corporate Governance pursuant Regulation 34 to the Securities and Exchange Board of India (LODR) Regulations, 2015.

#### **Company's Philosophy on Corporate Governance:**

The Company's Philosophy on Code of Governance envisages attainment of highest level of transparency, accountability, empowerment and ethical business conduct across all facts of its operations. The Company aspires to be a responsible partner acting with integrity towards its shareholders, customers, employees, the government and its business associates. The company conducts its affairs with a blend of the following aspects in their required proportions:

- Prudence
- Transparency
- Accountability
- Impartial treatment for all shareholders
- Operating under the purview of the statute
- Ethical practices
- Shareholder's wealth maximization

We believe Corporate Governance is not just a destination, but a journey to constantly improve sustainable value creation. It is an upward-moving target that we collectively strive towards achieving. Our multiple initiatives towards maintaining the highest standards of governance are detailed in the following pages.

The Corporate Governance framework of the Company is based on the following broad practices:

- (a) Engaging a diverse and highly professional, experienced and competent Board of Directors, with versatile expertise in industry, finance, management and law.
- (b) Deploying well defined governance structures that establish checks and balances and delegates decision making to appropriate levels in the organization.
- (c) Adoption and implementation of fair, transparent and robust systems, processes, policies and procedures.
- (d) Making high levels of disclosures for dissemination of corporate, financial and operational information to all its stakeholders.
- (e) Having strong systems and processes to ensure full and timely compliance with all legal and regulatory requirements and zero tolerance for non-compliance.

### **Best Corporate Governance Practices**

#### MANAGEMENT DISCUSSION AND ANALYSIS

The Management of **PANKAJ PIYUSH TRADE AND INVESTMENT LIMITED** in its Analysis Report has highlighted the performance and outlook of the Company in order to comply with the requirement of Corporate Governance as laid down in SEBI Listing Regulations, 2015. However, investors and readers are cautioned that this discussion contains certain forward-looking statements that involve risk and uncertainties.

# 1. Global Economy

During the year 2022, worldwide economies witnessed a healthy rebound in growth, following the easing of COVID-19 related disruptions across geographies. While the resurgence of COVID-19 infections continued during the year, the momentum of global growth recovery was sustained due to vaccination drives, strong stimulus effects and pent-up demand across geographies. As restrictions were relaxed across economies, demand and consumption saw a strong acceleration. This, in addition to calibrated policy frameworks, fiscal stimulus packages and improving trade prospects in the latter half of the year, sped global economic recovery. According to the World Bank, the global economy expanded by 5.5% in 2021 (1).

# **Indian Economy**

The Indian economy witnessed a strong rebound in the year 2022 despite undergoing the devastating effects of the second wave of the COVID-19 pandemic. A calibrated re-opening of markets coupled with higher vaccination rate led to a faster than expected pick-up in the domestic economy in the second half of the year, with output reaching back to levels of the prepandemic period. To support the recovery in the economy, the Reserve Bank of India too maintained an accommodative stance throughout the year. The Indian Government announced a set of structural reforms in 2022, including the production-linked incentive (PLI) scheme which is expected to benefit multiple sectors of the economy.

As per the World Bank, the Indian economy is expected to grow at 8.3% in FY22 and at 8.7% in FY23(1). With this, India continued to be among the fastest-growing economies in 2022. The growth outlook reflects increased private sector and infrastructure investments, as well as rewards from the advancing reforms.

# (1) Source: World Bank Report – January 2022

According to IMF, risks to the above forecasts remain on the downside and are likely to be influenced by how the pandemic is contained. Health, economic and trade risks remain prevalent. Development of vaccines, norms of social distancing, and productivity gains from the emergence of differentiated models will determine the actual outcomes.

#### 2. Opportunities & Threats

The risks and opportunities of all corporations are inherent and inseparable elements. Directors and management of the Company take constructive decisions to protect the interests of

stakeholders. The Company has in place a Risk Management Policy, which is monitored and reviewed under the guidance of the Audit Committee. The Committee comprises various departmental heads who meet regularly to identify processes exposed to risks, determine risk mitigation strategies, and monitor their implementation.

The company is mainly exposed to market risk, interest risk and credit risk. However, prudent business and risk management practices followed by the company over the years helps it to manage normal industry risk factors which includes economic/business cycle, fluctuations in the stock prices in the market besides the interest rate volatility. However, the company hopes to improve its performance on the strength of its long experience and its strong emphasis on the fundamentals.

#### 3. Risks and Concerns

Our revenues and expenses are difficult to predict and can vary significantly from period to period, which could cause decline in our performance.

An economic slowdown or other factors that affect the economic health of the country may affect our business. Our net income may get reduced if Government of India slashes the subsidies given.

Changes in the policies of the Government of India or political instability could delay the further liberalization of Indian economy, which could impact our business prospects. Our client contracts are often conditioned on our performance, which, if unsatisfactory, could result in lesser revenues.

# 4. Internal Control Systems and their Adequacy

The Company has well-equipped and effective internal control systems in place that match the scale of its sector and the complexity of the market it works in. Such stringent and detailed controls ensure the effective and productive use of resources, to the degree that the Company's assets and interests are safeguarded, transactions are approved, registered and properly reported, and checks and balances guarantee reliability and consistency of accounting data. The Audit, Committee is undertaking a comprehensive system of internal audits and periodic assessments to ensure compliance with best practices. The Company has appointed M/s Anil Hariram & Co., Chartered Accountants as the Internal Auditors of the Company to report on the Internal Financial Controls of the Company.

The Company has developed adequate internal control system commensurate to its size and business to ensure that all assets are safeguarded and protected against any loss from unauthorized use or disposition and that all transactions are authorized, recorded and reported correctly. The internal audit report reviewed by the Management together with the Audit Committee of the Board. The Company has a strong Management Information System as a part of Control Mechanism. In an interdependent, fast-moving world, organizations are increasingly confronted by risks that are complex in nature and global in consequence. Such risks can be difficult to anticipate and respond to, even for the most seasoned business leaders. The audit committee reviews the performance of the audit and compliance functions, the effectiveness of controls and compliances with regulatory guidelines and gives such directions to the

management as considered appropriate. The company has framed a compliance policy to effectively monitor and supervise the compliance functions in accordance with statutory requirements.

#### 5. Financial Performance

• During the financial year 2021-22, total revenue has been decreased to Rs. 20,416,100/-from Rs. 99,294,930 in the previous year. The company has incurred a net loss of Rs. (462,620/-)as compared to loss of Rs. (757290/-) in the previous year.

**Revenue** Rs. 2.04 Cr. **Loss** Rs. 0.04 Cr.

**EPS** Rs. -1.16/-

# 6. Human Resources / Industrial Relations

Human resource is the most vital factor to achieve the goals of any organization. Being a progressive organization M/s **PANKAJ PIYUSH TRADE AND INVESTMENT LIMITED** firmly believes in the strength of its most vital asset. The company recognizes the importance of human value and ensures that encouragement both moral and financial is extended to each individual for motivating them to perform to the maximum capacity. The company industrial relations are cordial and satisfactory during the year under review.

IR-related risks continue on account of surplus capacity at the Company's Power train systems plants and high lead time for wage settlement. These include possible risks arising from stoppage of production and/or leading to unpredictable cost structure and/or possible lay-off. The Company adopts more focused continuous action plan for wage settlement, offers attractive voluntary retirement schemes, Firm and Fair approach for settlement with contract labour and implement "selected" industry best practices. As continued process in building capability initiative, special trainings were conducted on Employee Relations and adding value to Front line leadership development in the plant.

#### 7. Cautionary Statement

Certain statements in this report may be forward looking and are stated as may be required by applicable laws and regulations. Many factors may affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. The company does not undertake to update these statements.

#### 8. Acknowledgement

Your directors take this opportunity to place on record their appreciation to all employees for their hard work, spirited efforts, dedication and loyalty to the company which helped the company for maintaining its growth. Your Directors also wish to place on record their sincere thanks and appreciation for the continuing support and unstinting efforts of the investors, vendors, dealers, business associates and employees in an ensuring an excellent all around operational performance.

# Independent Auditor's Report

To The members of

# PANKAJ PIYUSH TRADE AND INVESTMENT LIMITED

#### Report on the Audit of Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of **PANKAJ PIYUSH TRADE AND INVESTMENT LIMITED** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2022, the statement of profit and loss, statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2022, and the **net loss** (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

S.No.	Key audit matters	Auditor's response
	Revenue from operations	Our audit procedure included the following-
(i)	According to Ind AS 115, revenue to be recognized on satisfaction of performance obligation and transfer of control pertaining to goods.	We assessed the company's process to consider the time of transfer of control of goods.
(ii)	Determination of transaction price for measurement of revenue according to Ind AS 115.	We performed year end cut off procedures to determine whether revenues are recorded in the correct period.
		We used assessment of overall control environment relevant for measurement of revenue.
		We performed testing of journals, with particular focus on manual adjustment to revenue account, to mitigate the risk of manipulation of revenue and profit figures.

# Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and the auditor's report thereon.

Our opinion on the financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial

position, financial performance, changes in equity and cash flows of the Company in accordance with the AS and the other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain a reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures

are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

(v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonable be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### ANNEXURE- B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **PANKAJ PIYUSH TRADE AND INVESTMENT LIMITED** as on 31<sup>st</sup> March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# **Opinion**

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2022, based on "the internal financial controls over financial reporting criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

# Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may became inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

#### 1 Corporate Information:

Pankaj Piyush Trade and Investment Limited is a Company incorporated on the 29th day of May, 1982. It is registered with Registrar of Companies, Delhi. The Company is engaged in the business of investing capital and other moneys of the Company in the purchase of shares, stocks, units, debentures, debenture-stock, bonds, mortgages, obligation and securities issued or guaranteed by any company, corporation or undertaking, whether incorporated or otherwise, and where-so ever constituted or carrying on business and to buy, sell or otherwise deal in, shares, stocks, debentures, debenture-stock, bonds, notes mortgages, obligation and other securities issued or guaranteed by any government, sovereign ruler, commissioners, trust municipal, local or other authority or body in India or abroad. The Company is listed with Bombay Stock Exchange (Stock code is PANKAJPIYUS)

#### 2 Significant Accounting Policies:

#### 2.1 Statement of Compliance:

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

#### 2.2 Basis for preparation of financial statements:

The financial statements have been prepared in historical cost basis which is generally based on the fair value of consideration given in exchange for goods and services.

#### Use of Estimates:

2.3

The preparation of financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

#### 2.4 Critical accounting estimates:

#### 2.4.1 Income Taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

#### 2.4.2 Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

#### 2.4.3 Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

## 2.4.4 Impairment of Financial Assets

#### Equity instruments, Debt Instruments and Mutual Fund: -

In accordance with Ind -AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for Financial Assets.

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets and unbilled revenue which are not fair valued through profit or loss. Loss allowance for trade receivables and unbilled revenues with significant financing component is measured at an amount equal to 12-month ECL. For all other financial assets, expected credit losses are measured at an amount equal to the lifetime 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considers current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recorded is recognized as an impairment gain or loss in condensed consolidated statement of comprehensive income.

#### Other Financial Assets: -

The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

## 2.5 Property, Plant and Equipment

PPE are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on PPE, including assets taken on lease, other than freehold land is charged based on Written Down Value method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of PPE	Useful life (in years)
Building premises	60
Furniture	10
Computers	3

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

#### 2.6 Revenue recognition:

Effective 1st April, 2018, the Company has applied Ind AS 115 - Revenue from Contracts with Customers. Pursuant to adoption of Ind AS 115, Revenue from contracts with customers are recognized when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognized depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods or services.

#### 2.6.1 Sale of goods: -

Revenue from sale of goods is recognized when the control over such goods have been transferred, being when the goods are delivered to the customers. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, risks of loss have been transferred to the customers, and either the customer has accepted the goods in accordance with the sales contract or the acceptance provisions have lapsed or the Company has objective evidence that all criteria for acceptance have been satisfied. Revenue from these sales are recognized based on the price specified in the contract.

## 2.6.2 <u>Interest Income:</u>

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of the financial asset and it represents a rate that discounts estimated future cash through the expected life of the financial asset to the gross carrying amount of a financial asset.

#### 2.6.3 Dividend: -

Dividend income from investments is recognised when the shareholders' right to receive payment has been established which is generally when the shareholders approve the dividend.

#### 2.7 Foreign currency transactions:

Foreign currency transactions, if any, are recorded as exchange rates prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the date of Balance Sheet. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognized in the profit or loss.

#### 2.8 Financial Instruments:

#### 2.8.1 Financial Assets: -

#### (i) Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument and are measured initially a fair value adjusted for transaction cost.

#### (ii) Subsequent measurement: -

## <u>Financial Assets measured at Amortised Cost (AC):</u>

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is the cost of a financial asset adjusted to achieve a constant effective interest rate over the life of the financial asset.

## <u>Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI):</u>

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

## Financial Assets measured Fair Value Through Profit and Loss (FVTPL):

Financial assets are subsequently measured at fair value through profit or loss unless they are measured at amortized cost or at fair value through other comprehensive income. For financial assets measured at fair value through profit and loss, all changes in the fair value are recognized in profit and loss when they occur.

## (iii) De- recognition of Financial Assets: -

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

#### 2.8.2 Financial Liabilities: -

#### (i) Recognition and initial measurement: -

All Financial liabilities are recognized initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified as amortized cost.

#### (ii) Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at Amortized cost using the effective interest rate method.

## (iii) De-recognition of Financial liabilities:

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues. Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

## 2.8.3 Offsetting of Financial Instrument: -

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

## 2.8.4 Impairment of Financial Assets

## Equity instruments, Debt Instruments and Mutual Fund: -

In accordance with Ind -AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for Financial Assets.

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets and unbilled revenue which are not fair valued through profit or loss. Loss allowance for trade receivables and unbilled revenues with significant financing component is measured at an amount equal to 12-month ECL. For all other financial assets, expected credit losses are measured at an amount equal to the lifetime 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considers current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recorded is recognized as an impairment gain or loss in condensed consolidated statement of comprehensive income.

#### Other Financial Assets: -

The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

#### 2.9 Inventories

Inventories (Other than Quoted Shares & Securities) are valued at cost or net realisable value, whichever is lower. Cost is determined on weighted average basis and includes cost of purchase and other costs incurred in bringing inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

#### 2.10 Cash & Cash equivalent

Cash and cash equivalents Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### 2.11 Taxation

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961.

Current and deferred tax are recognized in profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the income taxes are recognized in other comprehensive income or directly in equity, respectively. Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts. Deferred income tax is recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled.

## 2.12 Earnings Per Share

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

## 2.13 Provision, Contingent Liabilities and Contingent Assets:

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent Assets and Contingent Liabilities are not recognized in the financial statements.

Finan	cial risk managen	nent					

The Company has exposure to the following risks arising from financial instruments

- (i) Market risk
- (a) Interest rate risk;
- (ii) Credit risk and; (iii) Liquidity risk

#### Risk management framework

The Company's activities expose it to a variety of financial risks, including market risk. The Company's primary risk management focus is to minimize potential adverse effects of risks on its financial performance. The Company's risk management assessment policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management of these policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee are responsible for overseeing these policies and processes.

#### (i) Market risk

Market risk is the risk of changes in the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Company's income or the value of its holdings of its financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising the returns.

#### (a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to market risk for changes in interest rates relates to borrowings from banks and others.

For details of the Company's short-term and long term loans and borrowings refer note 5 and 13

#### Interest rate sensitivity - variable rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased /(decreased) equity and profit or loss by amounts shown below. This analysis assumes that all other variables, in particular, foreign currency exchange rates, remain constant. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date.

Impact on Profit/(loss) before tax	For the year ended 31st March 2022 For the year ended 31st March 2021			
	100 bp increase	100 bp decrease	100 bp increase	100 bp decrease
On account of Variable Rate on Loans and advances given	2,236.66	(2,236.66)	2,396.45	(2,396.45)
On account of Variable Rate on borrowings	-	-	-	-
Net impact on profit/(loss) before tax	2,236.66	(2,236.66)	2,396.45	(2,396.45)

#### (ii) Credit risk
